How do I transfer my hosting from another provider?

Helpdesk Staff - 2020-09-01 - Commentaire (1) - General Questions

If you are currently with another hosting provider, we're pleased to provide free migrations to polur.net*. Place your order for one of our plans, then just get in touch with our support team!

*Free migrations available for cPanel or DirectAdmin-based hosting providers only. Migrations from other providers may incur a nominal fee. Contact our sales team for questions.
