Do you offer domain registration?

Helpdesk Staff - 2020-09-01 - Comentarios (0) - General Questions

Yes! When you purchase a hosting plan with polur.net, you have the option of purchasing a domain (or several!) for your website. For existing customers, you can visit the my-Polur order portal to easily buy new domains. Finally, we also offer domain registrations through our affiliate services and partners. Visit our Add-ons-page to learn more.
